LUMEN TALENTIS

LUMEN LENS 

Being busy ≠ being productive.

A sharp perspective on
work and performance

Activity can create the illusion of performance.

Real performance is measured
by meaningful outcomes.

LUMEN TALENTIS

Try this.

What did I accomplish last week that actually moved a goal forward?

Identify 1 low-value activity to eliminate this week.

LUMEN TALENTIS

Make your work count.

What is one task that keeps you busy but adds little value?

DM for a Personal Productivity Check-in.
